Department of Social Services (DSS) says 20 people (down from 38) were staying with friends in a housing complex in Southwest City in McDonald County. They plan to depart as soon as word that electricity and water service is restored to their homes in Texas. DSS says another 14 people were staying with relatives near Thayer in Oregon County.

State Emergency Management Agency (SEMA) Southwest coordinator reports 7 people were being housed at a Red Cross shelter in Springfield. Red Cross reports doing casework on 100 refugees from Hurricane Rita and an additional 50 from Hurricane Katrina on 28 September 2005. Salvation Army is assisting 211 persons in Branson, MO. SEMA Southeast coordinator reports that the 16 people being housed at the Arkansas- Missouri Christian Camp in Ripley County were still there awaiting clearance to return home. Southeast coordinator reported that an additional 54 people were staying in the Upper Room of Jesus Christ Church at Cardwell, Missouri.

Federal Emergency Management Agency (FEMA) FEMA reports it has registered 5,305 hurricane victims now living in Missouri for its various disaster relief programs.

The Missouri Donation Hotline (800-841-8891) continues to take calls from anyone wishing to volunteer or donate to victims of both Hurricane Rita and Hurricane Katrina. AmeriCorps volunteers are staffing the hotline from 8am-7pm, seven days a week.

SEMA has discontinued 24-hour operations. The State Emergency Operations Center has returned to normal staffing patterns.

EMAC Support:

Missouri support under the Emergency Management Assistance Compact (EMAC) for the two storms includes the following:

- A SEMA employee is in Baton Rouge, LA to assist in the state's emergency operations center.
- Members from several fire departments in Region C (St Louis area) continue their work in Gulfport, MS with 26 personnel and 12 water tankers. They are assisting the local fire department with firefighting activities.
- SEMA will send four personnel at various times during October to provide assistance to the State of Mississippi with floodplain management activities.

Severe Storm Potential

The weather forecast for Missouri is an 80% chance of rain with localized thunderstorms embedded in the rain showers. Accumulations are expected to vary from ½ inch up to 1 1/2 inches across most of Missouri. The rainstorms are expected to clear Missouri sometime in the overnight.

Points of Contact:

SEMA can be reached during normal business hours (7:30am-4:30pm) at 573-526-9100. After hours calls can be made to the duty officer hotline at 573-751-2748.
